

Off-Campus Access to Full-Text

Most of the library's electronic resources - databases, journals, books and reprints are only accessible to Tel-Aviv University community and are not accessible to the general public. To access these resources off campus please configure the proxy settings in your computer.

This is a one-time step that will serve you throughout your studies.

Configuring Proxy Settings for Safari – New Version

- Open your browser and click on the word "Safari", next to the apple sign.
- In the menu choose the Preferences.
- Switch to the Advanced tab
- Click on "Change Settings" under Proxies.
- Click on "Proxies" tab.
- Check "Use automatic configuration script"
- In the ADDRESS line type: <https://www.tau.ac.il/remote.pac>
- Click OK
- Restart the browser and go to the library homepage.

Whenever you connect to the library's resources, an identification screen will automatically appear. Log-in with your university Username and Password.
