

Off-Campus Access to Full-Text

Most of the library's electronic resources - databases, journals, books and reprints are only accessible to Tel-Aviv University community and are not accessible to the general public. To access these resources off campus please configure the proxy settings in your computer.

This is a one-time step that will serve you throughout your studies.

Configuring Proxy Settings for Safari – old version

- Look for the "Settings" sign  on the side of the address bar and click it.
- Click Preferences

- Switch to the Advanced tab
- Click on Change Settings  next to Proxies.
- In the window opened, click on Lan settings  under Connections tab.
- Check "Use automatic configuration script"
- In the ADDRESS line type: `https://www.tau.ac.il/remote.pac`
- Click OK
- Restart the browser and go to the library homepage.

Whenever you connect to the library's resources, an identification screen will automatically appear. Log-in with your university Username and Password.
