Off-Campus Access to Full-Text

Most of the library's electronic resources - databases, journals, books and reprints are only accessible to Tel-Aviv University community and are not accessible to the general public. To access these resources off campus please configure the proxy settings in your computer. This is a one-time step that will serve you throughout your studies.

Configuring Proxy Settings for New Versions of Chrome

- Look for the "Settings" sign on the side of the address bar and click on it.
- Choose SETTINGS
- In the Search settings type "popups" and choose Content settings
- Choose Popups and then Allow popups
- In the Search settings type PROXY and choose Content settings
- Click on LAN SETTINGS under the CONNECTIONS tab
- Check the second option: "Use automatic configuration script"
- In the ADDRESS line type: http://www.tau.ac.il/remote.pac
- Click OK, and then click on Apply
- Restart the browser and go to the library homepage.

After configuring PROXY settings in your computer, whenever you connect to the library's resources, an identification screen will automatically appear. Log-in with your university Username and Password.
